We are the group who toured the world for over 35 years performing the classic disco mega-hits including "Macho Man", "In the Navy", "San Francisco/Hollywood" and, of course, "YMCA" just to name a few. In 2017 we relinquished the name Village People to the original lead singer (from 1977-1979). We have transformed into the modernized Kings of Disco (as we have been described in Rolling Stone Magazine) and proudly wear the crown as disco royalty. We appreciate the continued support of all our fans who know & support us through this transition.
